VISUAL COMPUTER SOLUTIONS ANNOUNCES OPENING OF NEW OFFICE LOCATION IN ORLANDO, FLORIDA

The Leading Time & Labor Management Software Provider is Expanding to Better Serve Public Safety Agencies Worldwide

Freehold, NJ (May 1, 2019) – Visual Computer Solutions (VCS), a leading provider of time and labor management software solutions, today announced the opening of its new office location in Orlando, FL.

"We are delighted to announce the opening of our new Orlando location having identified Florida as a key driver of our continued growth," said Guy DiMemmo, CEO of VCS. "This expansion demonstrates our commitment to growth and our continued ability to successfully provide full service human capital management services and solutions to our customers."

This expansion provides opportunities to further increase staffing and capabilities in software development, professional services and customer support as well as increase VCS' ability to serve current and future markets.

With the opening of this new office location, VCS is propelling growth, innovation and development.
