Intelligent Workforce Management for Corrections

Manage Overtime Smarter
Proactively manage time to reduce overtime costs and fulfill overtime jobs with eligible personnel. Monitor overtime expenses with a full range of reporting capabilities.

Track Employee Certifications
Monitor and track your employee training and certification requirements as needed. Always know when an employee has acquired new skills or training that makes them eligible for additional working jobs or promotions.

Reduce Costs & Remain Compliant
Automatically apply work and pay rules to reduce payroll errors, buddy punching, and unplanned overtime that can send labor costs soaring. Ensure that the right employees with the right skill sets are always in the right place at the right time, and track and enforce labor laws and union rules to reduce noncompliance.
